Opening of Tobacco sector for foreign investment

33. SHRI GURUDAS DAS GUPTA
SHRI J. CHITHARANJAN:

Will the Minister of INDUSTRY be pleased to state:

(a) whether Government have decided to fully open up the Tobacco sector for foreign investment; and

(b) if so, the details thereof and the reasons therefor?

THE MINISTER OF INDUSTRY (SHRI SIKANDER BAKHT): (a) and (b)The existing guidelines for consideration of FDI proposals by FIPB do not stipulate any ceiling on the extent of foreign equity participation inter-alia in sectors pertaining to consumer non-durables, which include cigarettes. However, as there has been no precedent of 100% FDI approval in cigarettes so far, it was felt necessary to clarify the position vide Press Note No. 11 (1998 series) dated 27th August, 1998, that proposal for manufacture of cigarette with Foreign Direct Investment (FDI) upto 100% shall be considered by the Foreign Investment Promotion Board (FIPB) subject to the provisions relating to compulsory licensing under the Industries (Development & Regulation) Act, 1951. This has been done with a view to lend greater transparency in decision making.
